

PERSONAL RESUME

UiTM

Muhammad Amzar Mukmin bin Pauzan
Bachelor of Information Systems Management (Hons.) · UiTM Puncak Perdana
SI262 · SI2622A · Student ID: 2025423582
2025423582@student.uitm.edu.my · Banting, Selangor, Malaysia
Freelance Penetration Tester · OSINT Analyst · PALAPES Batch-46

PROFILE

First-year Information Systems Management student at UiTM Puncak Perdana with a strong foundation in cybersecurity, web development, and digital intelligence. Background spans Islamic boarding school education, military reserve training (PALAPES Batch-46), and independent professional certification in ethical hacking. Proficient in four languages: Bahasa Malaysia, English, Arabic, and Turkish. Active freelance penetration tester and NGO-affiliated OSINT analyst. Committed to technology that is both technically excellent and ethically grounded.
